Welcome to The Samaya Bali's E-Concierge service.

The Samaya Bali has just introduced a pre-arrival e-concierge, to help create the ultimate, unique vacation experiences for its guests.

The pre-arrival e-Concierge online system allows you to plan and reserve a range of services and activities prior to arriving in Bali. Relax, take the time to consider what you would like to do – and when you would like to do it – by simply wandering through the following pages. Request something special for the mini-bar, make a dinner reservation, book a refreshing spa treatment or arrange to go shopping.

[Pre Arrival Services/Requests](#)

After submitting your request, a hotel concierge will confirm your personal itinerary as quickly as possible, ensuring that everything is ready for your arrival.

If you already have a booking online through our OFFICEAL WEBSITE, simply fill your ID reservation number above in the log in area, log in, and explore everything the hotel has to offer. If you haven't booked yet, you will be given access as soon as your reservation is confirmed. Please note that a confirmed reservation is required, so please have the reservation ID number that the Resort sent you ready. I would like to:
